

Notice from Nabari City

From September 26 to October 28

We will also collect garbage in bags other than designated garbage bags.

Temporary measure due to lack of designated garbage bags

Production of designated garbage bags is delayed due to the spread of COVID-19 infection and some stores cannot sell designated garbage bags.

Therefore, we will collect burnable garbage and non-burnable garbage in store-bought transparent or translucent bags (45L or less), as well as in designated garbage bags, from September 26 to October 28.
